

Tourist Map

Rīga – Tartu

“Via Hanseatica” is an international tourist route. In Latvia and Estonia it runs from Riga through Tartu to the border town of Narva. It is based on important merchant routes of the Hanseatic period, and here history goes hand in hand with the contemporary. Travellers in both countries are invited to get to know undiscovered places and see the already known in a new light – historic castles and manors, exciting nature trails and local flavours.

Publisher: Vidzeme Planning Region in cooperation with Cēsis, Limbaži, Sigulda, Smiltene and Valmiera municipalities.

Photo: G. Āžuka, G. Ziverte, I. Evertovskis, IMKA, I. Krieviš, Foto MARTA, L. Raupe, J. Zilvers, Balto Pictures, Visit Estonia, Enter Gauja, Sergejs Miliutins /Shutterstock.com, Valmiera municipality and photo archives of companies included in the publication.

LEARN HISTORY, EXPLORE CULTURE

Mighty castles and castle ruins, medieval stone churches, manors that have experienced glorious times, expositions that today appeal to people of different generations – all you have to do is surrender and walk through the twists and turns of history by yourself, getting to know the tourism route “VIA HANSEATICA”.

Latvia

1 Krimulda Manor
The residence of the princes Lievens was built in 1822 in the Classicist style. The manor complex includes the steward's house, coach house, barn, blacksmith's shop, and the Swiss House with its distinctive and unique carvings. Today, Krimulda Manor is a certified rehabilitation facility, offering accommodation in both hotel and hostel apartments, as well as tastings of berry and flower wines from the local woods and gardens – “Cremon”.
Mednieku iela 3, Sigulda
+371 29111619, krimuldasmuiza.lv
GPS: 57.16771, 24.82991

2 Sigulda Castle Quarter
Sigulda Castle Quarter includes the New Castle of Sigulda, the Castle of the Livonian Order in Sigulda and the creative workshops of artisans. The New Castle of Sigulda is an architectural monument of national significance, which was considered the most magnificent Writers' Castle in Europe after the reconstruction project carried out by the architect Alfreds Birkhāns in 1937. Today visitors can admire the unique interior of the castle, works of art, expositions, current exhibitions, climb the castle towers, as well as visit artisans' workshops.
Pils iela 16/18, Sigulda
+371 67970862, tourism.sigulda.lv
GPS: 57.16552, 24.85009

3 Exposition of Anšlavs Eglītis
A modern and interactive exposition that narrates about the life of the writer Anšlavs Eglītis, as well as a small reading room, which contains almost all of the author's works. Pre-booking for a visit is recommended.
Anšlava Eglīša iela 5, Inciems, Krimuldas pagasts, Siguldas novads
+371 26752873, anslavseglitis.lv
GPS: 57.25720, 24.87831

4 Lielstraupe Castle
An outstanding monument of Latvian medieval architecture. The German-Baltic family of the Von Rosens as caring owners have contributed to the preservation of its ancient form. Till 2018 castle was used for the needs of a drug addiction treatment and rehabilitation clinic, but it is currently undergoing changes.

5 Ungurmuīža
This manor is a harmonious ensemble of wooden buildings of the 18th century, surrounded by giant oaks, which takes an important place among the heritage of Latvian cultural monuments. It was built in 1732 by Baron von Kampenhausen as his family's house, and currently it is the only Baroque wooden building in Latvia. Inside you can see unique wall paintings from the 18th century.
Ungurmuīža, Raiskuma pagasts, Cēsu novads
+371 22007332, ungurmuiza.lv
GPS: 57.36284, 25.08725

6 Āraiši Lake Castle and Archeological Park
Āraiši Lake Castle is the only reconstruction of a 8/9 – 10th century fortified settlement in Europe. The park excels with its unique archaeological findings, the placement of reconstruction on its original environment, and the well-preserved cultural and historical landscape of Vidzeme. The visitor centre displays original items from the excavations. Educational programs and guide services are available.
Āraiši, Drabešu pagasts, Cēsu novads
+371 25669935, araisi.com
GPS: 57.25171, 25.28241

7 Cēsis Castle complex
The origins of the city of Cēsis can be traced back more than 800 years ago. They are related to the Medieval Castle of Cēsis, around which already in the 13th century there was formed a city. Rebuilt and expanded several times Cēsis Castle acquired its current architectural form in the early 16th century. Currently, it is the most impressive ensemble of castle ruins in the Baltics. In Cēsis Castle complex you can see the Medieval Castle, the New Castle and the Exhibition House.
Pils laukums 9, Cēsis
+371 26576111, cesupils.lv
GPS: 57.31321, 25.27141

8 Veselava Manor
Veselava Manor complex was built in the 40s of the 19th century. Almost the entire site has survived to this day – 12 buildings and its park. Those interested can go on a tour around the manor and its surroundings. An unusual heating system can be explored in the attic of the master's house. Tools and household items can be viewed in the chamber of antiques and belongings.
“Viesturi”, Veselavas pagasts, Cēsu novads
+371 29247403, veselava.lv
GPS: 57.28972, 25.47635

9 Rauna Medieval Castle Ruins and Observation Tower
Rauna Castle was built in the second half of the 14th century and was one of the main residences of the Archbishop of Riga. Rauna Castle was considered one of the strongest Vidzeme castles, but currently it is one of the largest and best preserved castle ruins in Latvia. Visitors have the opportunity to observe the surroundings from the observation tower of the castle ruins.

GO TO NATURE

New discoveries, activities, beautiful landscapes – everything is offered by the sightseeing spots recommended by the tourism route “VIA HANSEATICA”. Make your own choice – whether to go along the nature trails and climb the observation tower, go underground to see unusual lakes, or take a leisurely walk to see a gorgeous flower garden.

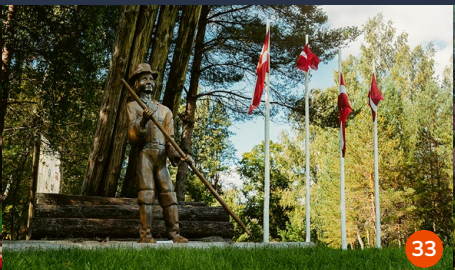

Latvia

19 Bonsai Park
At the centre of the park surrounded by nature and Japanese cultural traditions, there is Bonsai – the art of shaping trees. Excursion, master classes, tea ceremony, bonsai trees and accessories shop are on offer.
“Spīdiši”, Krustīni, Inčukalna pagasts, Siguldas novads
+371 29465119, bonsai.lv
GPS: 57.12154, 24.65517

20 Lēdurga Arboretum
Lēdurga Arboretum has become a favourite place of interest for nature lovers who appreciate the unique nature reserve in every season. Here you can find inexhaustible material for researchers of woody plants, because many tree species and varieties that do not withstand the weather of Northern Vidzeme successfully grow and overwinter in Lēdurga. Lēdurga Arboretum is a protected object of natural and cultural history.
Lēdurga, Krimuldas pagasts, Siguldas novads, +371 25549747, ledurgasendroparks.lv
GPS: 57.31411, 24.76001

21 Limbaži Lieliezers Nature Trail
Limbaži Lieliezers is a 4 km long, narrow lake, at the NE end of which there is an approximately 2 km long nature trail. A footbridge has been built on a part of the trail, which in some places leads through a maze of reeds. A birdwatching tower has been built at the northern end of the lake, which offers a great view of the lake.
Lielezera iela 10, Limbaži
GPS: 57.50508, 24.70670

22 Augstroze Mound and Nature Trails
The trail is located in a scenic location on a picturesque 13th-century mound, shrouded in many tales and legends. The vassal castle of the Archbishop of Riga was built in 1272 on the highlands, with the idea that the steep sides of the hill would serve as protection. In 1601 the castle was looted and burned by Poles and Tatars, it was not restored later. From the ruins of the castle there is a magnificent view of Augstroze Lieliezers and Madiēšeni marsh.
Augstrozes pilskaļns, Umurgas pagasts, Limbažu novads
GPS: 57.51425, 25.01330

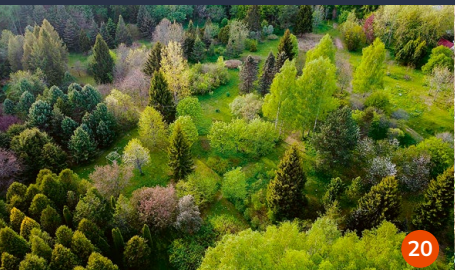

23 Underground Lakes of Vējiņi
On the banks of the River Brasla underground springs once washed out large voids and caves. Lake caves is a unique cave system with an underground stream and two beautiful underground lakes filled with clear and icy cold underground water. The tour takes place only with a guide. After the walk, one can have a picnic or relax in the Holiday House “Vējiņi”.
Vējiņi, Straupes pagasts, Cēsu novads
+371 29354189, pazemes ezeri.lv
GPS: 57.33967, 24.90531

24 Ligatne Nature Trails
A set of well-maintained 5 km long trails in a forest landscape in Gauja National Park. Enjoy watching wild animals found in Latvia. On average it takes 2–3 hours to cover the trails, they are open to visitors all year round.
Ligatne, Cēsu novads
+371 28328800, ligatnesdabastakas.lv
GPS: 57.24811, 25.01476

25 Ieriķi Watermill Park
The Ieriķi Watermill Park is an excellent example of the pristine Latvian nature. Located within the Gauja National Park, its crossed by Melderupe, the fastest river in Latvia. The park flourishes with unique floral arrangements – from life-like animal sculptures depicted in moss to famous stone mermen on the riverbanks.
